

Behnke Preschool

SUMMER CAMP

A unique summer camp with an emphasis on pre-literacy skills & literacy appreciation

- An educational experience for children and their families that unites best practices in early childhood education while promoting learning through language and reading.
- Classroom taught by a speech-language pathologist and utilizes Cued Speech.
- When appropriate, speech-language therapy is available during program hours.
- Designed for children who can benefit from an intensive summer program to improve phonological awareness, language development, pre-literacy skills and literacy appreciation.

- Monday through Thursday, mornings & afternoons
- July 5th to August 4th
- Ages 2 to 5
- Competitive tuition
- Also enrolling for Fall 2011

Hearing, Speech & Deafness Center
