

Job Description

Position title: Parent-Infant Program (PIP) Specialist	Location: HSDC, 1625 19 th Ave., Seattle, WA 98122
Immediate Supervisor: Director of Education	Department: Education
Effective Date: December 1, 2016	Job Status: Full-Time

Job Summary:

Work on a collaborative team to provide early intervention services to parents, family members and caregivers with a deaf, deaf-blind, or hard of hearing child, ages birth to three, using an American Sign Language (ASL) & English (or the family’s home language) bilingual approach.

Essential Job Functions:

- Provide early intervention services to target child and family outcomes in the family’s home (or other natural environment)
- Develop Individual Family Service Plans (IFSPs) with the child’s family and Family Resource Coordinator
- Coach families on how to incorporate an ASL & English (or the family’s home language) bilingual approach into their daily routines
- Conduct ongoing assessments on child’s developmental skills
- Write progress reports
- Maintain paperwork and records on each child on caseload
- Collaborate with other professionals to meet the needs and goals of the family
- Plan and lead center-based child and parent activities
- Work with team to coordinate volunteer support
- Perform other educational or administrative duties as assigned by the department director

Experience/Qualifications:

- Experience with the bilingual ASL-English (or other home language) approach and a willingness to support both languages
- Native or near native fluency in ASL and knowledge of Deaf culture and community
- Experience working with young children and adults
- Knowledge of child development and early education theories and practices
- Experience with listening technology (hearing aids, cochlear implants, and FM systems)
- Must have basic computer skills, including word processing
- Must have effective verbal/signed, listening, and written communication
-

Education/Licenses/Certificates:

- Bachelor’s degree or higher in deaf education, or a comparable area of specialty
- Washington State teaching certificate, or ability to obtain
- CPR/First Aid/Blood Bourne Pathogens certification, or willingness to obtain
- Pass state and federal background checks
