Job Summary

HSDC is a social and human services organization that provides five areas of programming: Education (0-5 yrs old), Sign Language Interpreting, Deaf and Hard of Hearing Advocacy, and a Clinic (Audiology, Speech & Language Therapy). We are a ~$4.5M operating budget with less than 50 employees. We are seeking a Client Advocate for our Deaf and Hard of Hearing Services Department in Tacoma to support Region 5&6: Pierce, Thurston, Mason, and Grays Harbor Counties.

This position works in a team of two (2) with another client advocate to provide Case Management, peer counseling, communication strategies, coping skills, and advocacy for individuals who are Deaf and Hard of Hearing, either from birth or late deafened. This position also includes providing trainings, presentations, and outreach event coordination in order to promote our services.

The Deaf and Hard of Hearing Services Department is a close-knit, process-minded team environment that has locations in Bellingham, Seattle, and Tacoma; the staff collaborates to best serve clients of all ages, income levels, and cultures. We work with community partners, such as the WA Office of Deaf and Hard of Hearing (ODHH), the City of Tacoma, Pierce County, and various foundations to advocate for clients to remove communication barriers. This position does not have supervisory duties and does require travel.

Essential Duties and Responsibilities

- Provide resources for clients to deal with public and private agencies through peer counseling.
- Familiarize or train Deaf, Hard of Hearing, and Late-Deafened people concerning government, legal, communication, community, cultural and self-advocacy issues.
- Prepare internal and external monthly reports on services provided.
• Develop and implement action plans to train individuals, government agencies, human service organizations, and other appropriate entities on communication access, legal responsibilities, and the cultural and linguistic needs of the Deaf, Deaf-Blind, and Hard of Hearing.

• Assist in developing and maintaining cooperative relationships with governmental, community organizations, and agencies providing resources for clients.

• Train and assist community partners in using Assistive Communication Technology (i.e., Loop, Assistive Listening Devices, aka ALDs, phone boosters, etc.) for Deaf and Hard of Hearing community members for communication access.

• Develop Video Logs (Vlogs) with information on community resources and services.

• Develop, create and support workgroups, advisory committees, coalitions, and community group meetings in national, state, & local counties/cities as HSDC representative.

Qualifications
